

Public Transit System

COG Transit has provided rural public transit services since 1975. The service operates from 6AM to 6PM on weekdays. Service is demand-responsive and flex-service. The demand responsive service is Door-to-door and changes daily, depending on demand. The flex-service travels a constant route (with flag stops), but does deviate up to 1/4 of a mile for persons with disabilities. Las Animas and Huerfano counties are primary service area for its demand responsive public transit service. Service is also available to and from Pueblo. Several social services agencies and other groups contract for service and pay fully allocated costs. Discounted fares are available for passengers based on specific criteria including seniors, disabled, and Area Agency on Aging members. Contact RIDELINE to apply for reduced fare rides. COG Transit travels approximately 91,860 annual vehicle-miles and 9,600 annual vehicle-hours. The fleet consists of 12 vehicles (10 wheelchair accessible light transit vehicles and 2 vans). COG Transit public transit service is open to the general public. Everyone is eligible to ride the system.

South Central Council of Governments
